

**JOG THE BOG & BEACH
10K & 5K RUN / 3K WALK
9:00 AM, Sunday, October 9, 2016
Grayland Community Hall
Grayland, WA**

August 1, 2017

Dear Chamber Member:

The Cranberry Harvest Festival continues to grow the area's most popular event, the Bog Jog, which features a 10K, 5K, 3K walk/race. The race this year will be held on the weekend of the Cranberry Harvest Festival, Sunday October 15, 2017.

Participants of all skill levels are encouraged to enter. A specially designed race T-Shirt is given to all who register.

The course is easy and takes participants through some of the most beautiful Cranberry Bogs in the world and within view of the beach. As we have seen in the past, this race is a true family (& dog) event that will bring participants from as far away as Alaska, Oregon and Canada.

For your sponsorship amount of \$200.00, your organization's name will appear on the official race T-Shirt that will be given to all registrants in the race. The event is advertised in Runner's Magazine, local newspapers, radio and the internet.

Being a sponsor of this event is a great way to benefit your community. However, if you are unable to donate the sponsorship amount of \$200.00, please share the event with others who you think may be interested.

Remember, your donation of \$200.00 must be received by September 15th, 2017 in order to be included in the advertising package.

Thank you for your support and consideration,
Sincerely,

Leslie Eichner
